A little about our guest...

As if our guest for the evening needs any introduction. Ruth has been leader of the Conservative & Unionist Party in Scotland since 2011.

Prior to entering political life, Ruth studied at the University of Edinburgh before becoming a journalist...which we won't hold against her.

She has served in the Territorial Army as a Signaller in the 32 Signal Regiment and has stood as a Westminster parliamentary candidate for the Conservative Party in Glasgow before joining the ranks of Conservative MSP's in Holyrood.

She has certainly kept the SNP honest in regular exchanges, a quality I'm sure we all agree is most welcome.
